BEANBAG LEAGUE

If you would like information on joining a bean-bag league this summer, please call Loopy at 723-5667 or e-mail us at loopy@723loop.com.

UPDATES

Loopy's has finished riprapping the shoreline & added steps to get in & out of the river more easily.

YES—we followed all of the rules & NO-The DNR wasn't a pain at all.

They were happy to see that we were trying to preserve the shoreline!

We will also be putting in 2 docks this summer for easier access in & out of the river.

Volleyball players will be happy to know that not only did we move our septic system to the far side of the property—we also replaced it with a system that we hope will work better than the last one!!!! (we've been putting ALOT of money into the ground lately!) We would like to take this time to thank all of the volleyball players who knew how to shut off the septic alarm for the past few summers & to tell you that hopefully your services will no longer be required in that area!

WELCOME TO LOOPY DOME

The Volleyball dome project is moving along. Obviously our plans to have everything fall together before the ground froze this past fall didn't come to light... But now we have all of our permits in hand & are getting all of our ducks in a row just waiting for the ground to thaw to start digging! SO LET'S ALL HOPE FOR AN EARLY SPRING THAW! We are planning to have the new improved heated courts in by April 20th!!! We are also putting in an outdoor service area for your added convenience.

Details for starting dates of summer volleyball are listed on the volleyball rules page...make sure you get your roster in soon to get the early bird sign up price. Also, some changes were made at last year's meetings that some people were not happy with...IF YOU WANT YOUR VOICE TO BE HEARD WE WANT YOU AT THE MEETING!!! We don't want to have to make any changes once the season starts.

NEW TEAMS...Get your roster in as soon as possible. Open spots are filled on a first come - first serve basis. Our volleyball league has 3 different divisions to accommodate any skill level.

Please remember, our number 1 priority is to make our teams happy!!!

If you are interested in a Loopy's Daytime League or Weekend League please call Loopy at 715-723-5667 for details.

Summer Volleyball League officially starts with meetings April 13th & will finish the last week of August.

Fall-Winter Volleyball Leagues will run September thru December.

Winter-Spring Volleyball League will run January thru April. Loopy's Summer League teams will have first choice for Fall & Winter Indoor Dome Volleyball.
